JORDAN'S STORY

Jordan was born with a rare chromosome abnormality that has left her unable to talk, walk and eat. She is able to communicate through head movements and through her iPad. She is blessed to have an amazing service dog, Baker, that is part of every thing she does in the book and in life. This book is their first adventure mystery. But, knowing Jordan and Rachelle, the first of many! Proceeds from the sale of Mystery At The Horse Show will be donated to the Jordan Fund, a nonprofit organization that provides support to the families of children with special needs.
